

Can we put creativity

back into childhood?

Calling all schools...

Take part in:

Yes Let's Day 18th July 2019

Your School can raise money for Travelling Light's **Yes Let's appeal** and fund creative childhood experiences for Bristol Children.

Travelling Light have been making theatre which tours internationally and in to schools in Bristol for 34 years and has been delivering workshops, projects and fun creative experiences for children in and out of school for over 20 years.

We are aware that there are widespread cuts to public funding and mounting pressures on children which are squeezing opportunities for them to participate in arts and culture during their childhoods.

The **Yes Let's Appeal** aims to raise **£50,000 before 31st August 2019**. Every pound raised before September will be matched £1 for £1 by Arts Council England. This means we could raise an amazing £100,000 to provide more enriching positive activities for Children and young people in and outside of school.

As part of the Yes Let's Appeal **Travelling Light are asking schools and workplaces to take part** in 'Yes Let's Day' a day to celebrate being playful and having fun while raising money for the appeal.

The day at your school could include –

- Coming to school/work wearing a hat. It could be a funny / silly / cool /quirky hat. You may like to combine it with a non-uniform day. Pupils would donate a suggested donation of 50p-£1 to towards the appeal.
- A bake sale or bring and buy sale

Can we put creativity

back into childhood?

Your school could also take part in a 10 minute multi- school activity of the drama game 'Yes Let's' at a pre-decided time on the day. You would play simultaneously with other schools.

If multiple schools took part we could have the world's biggest game of Yes Let's!

For schools who take part in the day and help raise money for the Yes Let's Appeal, Travelling Light will provide:

- A letter to parents about the day
- Posters to print and put up at school
- A certificate for the school stating the amount raised
- A guide to playing Yes Let's
- If support is needed a facilitator to lead the Yes Let's game
- Possible press interest in the day

To sign up please email george@travellinglighttheatre.org.uk or call 01173773162

Just bring your imaginations...and your donations!
