

# IGLOO

AVAILABLE TO BOOK  
AUTUMN 2019 - SPRING 2020

Following the international success of *Boing!* Travelling Light and Bristol Old Vic are delighted to bring you our latest show for the very young: *Igloo*.

*Winter is on its way, and anticipation for that first smattering of snow is building.*

*Sometimes you don't get what you want, even when you're made to wait... Sometimes what you end up with is something even better...*

*Igloo* is a sensory experience filled with sights, sounds and texturised play, suitable for babes in arms and toddlers, accompanied by their carers.
