

Achieving your Arts Award with Travelling Light

Travelling Light is an Arts Award Centre and Supporter. We offer expertise and resources to help children and young people work towards their Arts Award; ensuring that everyone can have access to high quality arts and culture. Here are some examples of how you could get involved:

See our shows

Come and watch a Travelling Light play - then you can write a review and tell us what you think! We tour our shows to schools and venues across the UK, so if you can't get to us perhaps we can come to you.

(See here for details of what's on where and when)

Learn about our Organisation and Artists

There is already lots of information you can find on our website about Travelling Light's history and what we do; but we are happy to send more information. Drop us an email to find out more about who we are, what we do and how!

To find out more about the artists we work with you could watch some of the videos on our *Stories* page, which includes theatre sight interviews with cast members and rehearsal footage. Or, you could keep an eye out for one of our shows that has a Q&A session included. If you are a school booking a performance, we can often include pre and post-show discussions.

Take Part

There are a variety of ways that you can Get Involved and participate in our work:

- Join our Youth Theatre (for young people aged 4-19) to learn new skills.
- Take part in a work experience placement (for those aged 14-16) where you will spend a week with us learning about the organisation, taking part and completing the Bronze Arts Award. Through Arts Award young people learn to work independently, helping them to prepare for further education and employment. The programme develops creativity, leadership and communication skills.
- Look out for one of our Have A Go workshops that run alongside our productions.
- Volunteer with us!

We are trained to deliver **Discover, Explore, Bronze, Silver** or **Gold** Arts Award.

Talk to us about how we can help support you as an individual or deliver these awards in your school. You can also keep up to date with what we are doing by signing up to our free newsletter.
