# Three Kings

Bristol's own Travelling Light Theatre Company is offering your school the opportunity of having a first-class piece of original theatre for the festive period in 2018...

*"Have you ever seen such a night as this? So many stars, so many stories, which one is yours?"*

Three weary travellers from far off lands meet by chance as night approaches, all looking to the darkening skies. As shadows draw in, they eventually overcome their suspicions of each other and exchange stories; stories of love, stories of loss, stories of kings.

Where have they come from and where are they going and what is so special about this night? How many stars are there in the sky, is there such a thing as chance or do the constellations have a plan mapped out for each and every one of us?

Travelling Light brings it's inventive and fresh twist to a classic tale. Three Kings fuses storytelling, song and dance and puppetry in a sparkling show about finding out where you belong, overcoming your differences and listening to the secret stargazer in each of us.
