“I thought the workshops were fantastic. They were pitched at exactly the right level. The leaders were exciting and enthusiastic and that energy really inspired the children to prepare and perform a great piece of drama.”

- Louise Connelly, Churchfields Village School, Arts Days 2018

“It’s such a special and enriching week for all the children, but particularly those who struggle to access the curriculum day to day in school. The children loved it.”

- El Walker, Victoria Park Primary School, Play In A Week, 2018

“I enjoyed this experience because I believe it made me more confident, and happier. It taught me a lot about this company and just companies in general.”
