

How Travelling Light makes a difference

our Theory of Change

**Travelling Light is working towards a world where
every child's imagination is inspired by theatre.**

**This means
that children
and young
people...**

Experience
and share
joy with
others.

Live in
neighbourhoods
that are vibrant
and creative
places.

Have
creativity
at the heart
of their
development.

Engage with
creative
storytelling
and play.

Share imaginative
experiences that
explore their feelings,
ideas and place
within the world.

**Because
they...**

Experience theatre that
is created with their
stories at the heart.

Experience
theatre in their
communities.

Feel valued
as individuals
and artists.

Are at the centre of
how work is planned,
created and delivered.

**To achieve this
we create theatre
with and for children
and young people...**

In our local
community,
from our studio
in Barton Hill,
Bristol.

In schools and
early years settings,
supporting the cultural
entitlement of hundreds
of pupils per year.

That 'travels light' to where
children are, reaching children,
young people and families who
would not otherwise have the
opportunity to experience theatre.
